8.**Praise to God!** Build and Restore International has selected Redwood Academy for their mission project. December 15-25 a team will be living at the school making repairs to our school gym and other areas as time allows. They have raised funds on our behalf and would like to make them stretch as far as is possible. If you have contacts for paint or flooring at good prices please contact Julie at 801-803-0564 ASAP so these funds can be blessed. Thank you!
