**Fit Facts:** Feel better instantly with these five simple tips to help you overcome 2017 and enter 2018 with a fresh mind. 1) Being kind to your body (eating lots of greens, drinking 2 liters of water a day, going to bed early), 2) Practicing acceptance (acceptance of your inability to control others or acceptance of your current situation, 3) Meditating daily on God's word, 4) Being grateful & 5) Taking control (choosing one action that will positively move you forward). Remember that you are in charge of your life, and place God at the steering wheel (excerpts taken from! [www.Foodmatters.tv](http://www.Foodmatters.tv))
