

8. **The North American Division** Youth & Young Adult Ministries Department has created a website piloting some ideas that could help Youth Sabbath School leaders with their weekly program, including ideas for opening activities, Bible study guides, and more! If you would like to be part of the pilot, please sign up at www.youthsabbathschoolideas.org. There's also a Facebook page for Sabbath School leaders to interact and share their ideas: www.facebook.com/pg/YouthSabbathSchoolIdeas.

The Church In Action

1. Welcome to Worship! Today we will learn to love by the book that tells us how to love God supremely and to love each other authentically.

2. Our Offering Today is for World Budget: Voice of Prophecy. In 1929, H.M.S. Richards sensed the invention of radio was not simply for the sake of entertainment; it could be used to broadcast the Good News of the second coming of Christ. He was right. Today, countless individuals—perhaps hundreds of thousands - can trace their spiritual birth back to Voice of Prophecy. His ideas were cutting-edge, and Voice of Prophecy continues to innovate and utilize the latest technological advancements. With your support, the brightest days for Voice of Prophecy are still ahead.

3. Next Sabbath we will share Communion.

4. Our Church Board Meeting has been canceled this month to allow everyone to attend the Redwood Adventist Academy Future Planning Committee meeting scheduled for the same time slot.

5. Redwood Adventist Academy Future Planning Committee invites all constituents and stakeholders to a meeting this Wednesday, October 17, at 6:30 at Santa Rosa Seventh-day Adventist Church. The School Board has retained NV5, an engineering and consulting service, to develop a Master Plan for RAA. NV5 will be present a report on the data that has been collected to date regarding our campus and future development etc.

6. Prayer Advisory: Please continue to pray for God's guidance through October 11-17 during the Annual Conference at the General Conference.

7. Our Pathfinders will be collecting cans on October 20th in Cloverdale. Please call Diane to find out how you can help!
